## The Balochistan Delegation of Financial Powers and Re-Appropriation Rules, 2019 <u>{1<sup>st</sup> July, 2019}</u>

Compiled by Muhammad Saleem, Additional Secretary (Admn:/Reg/Try) Government of Balochistan Finance Department (Regulations Wing) Quetta [1<sup>st</sup> Jalg, 2019]

The Delegation of Financial Powers and Re-Appropriation Rules lay the foundation of governing public expenditure management. The Balochistan Delegation of Powers under the Financial Rules and Powers of Re-appropriation Rules, 2008 remained in vogue for more than ten years, and do not render adequate support for management of the public expenditure in an effective manner today. Therefore, the need has been felt to review and update these rules with an aim to address not only the genuine problems of spending units at all level of government, but also improving public service delivery. The realization of Balochistan Delegation of Financial Powers Rules and Re-appropriation Rules, 2019 is the outcome of a methodical evidential review of the existing regulatory framework by Finance Department with the technical assistance of the team of "Public Financial Management-Support Program for Pakistan (PFM-SPP)" project and via internal and external peer review. Salient features of these rules include:

- a. Enhanced financial powers to spur operational efficiencies via up-gradation in the extent of delegated financial powers and simplification of categorization of officers.
- b. Compatibility with planning and budgetary regime under the country-wide scheme of classification driven by Chart of Accounts.
- c. Versatility of application of the rules across the board.

These rules will be instrumental in fostering fiscal discipline, prudent financial management and good governance. The powers delegated under these rules warrant more responsibility and accountability of those delegated with these powers with the instrumental role of Principle Accounting Officers concerned.

I must thank the untiring commitment and dedicated efforts of Mr.Muhammad Ishaque Jamali, Team Leader Balochistan PFM-SPP and his team and Mr. Muhammad Saleem, Additional Finance Secretary (Regulations/Admn/Try) along with all team members in Finance Department to make this important task accomplished par excellence.

Para-142): The Tools and Plants of a division are of two kinds:-

- a) General or ordinary tools and plants i.e. those required for the general use of the division.
- b) Special tools and plants i.e, those required not for general purposes, but for a special work.

The cost of the supply, repairs and carriage of articles of class (a) is charged to the minor head "Tools and Plants" whereas similar charges of class (b) are borne by the works concerned. In both cases, the cost is charged in the accounts against sanctioned estimates, in the same way as expenditure on works, though for purposes of sanction it is treated as expenditure on tools and plants.
